

# Calling All Trainers and Pet Owners!

Conservation Ambassadors and iReinforce.com present:

## Training with ZOOmility, Too

Plus an optional benefit, "A Wild Night in the Vines with Jungle Jack Hanna" at Sylvester Winery!

Join the crew of Conservation Ambassadors and Dr. Grey Stafford, author of *ZOOmility: Keeper Tales of Training with Positive Reinforcement*, for our next animal training workshop featuring dozens of exotic species in beautiful Central California's wine country. Then stick around and see Jungle Jack Hanna with some of CA's animal ambassadors.\*

The seminar will present positive reinforcement-only training techniques and feature dozens of wild animals from Conservation Ambassadors' vast exotic animal collection located at their *Zoo to You* facility in Paso Robles, CA on May 29<sup>th</sup> & 30<sup>th</sup>, 2010.

This one-of-a-kind event is open to *everyone* interested in learning how to train the way zoos and aquariums do—with the exclusive use of positive reinforcement! Best of all, every participant from professional trainer, keeper and veterinarian to pet owner will learn to apply these proven techniques to improve the lives of any animal, wild or domestic.

This educational workshop will feature a blend of discussion, behavior problem solving and *live training demonstrations with exotic animals from all over the globe* by Conservation Ambassadors' founders David and Anita Jackson. The

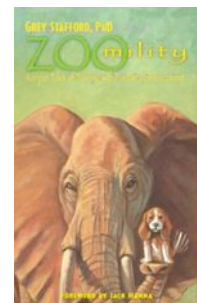

Jacksons and Stafford have presented animals on national television shows such as Larry King Live, The Tonight Show, Ellen, The Late Show and many others. Each has worked with hundreds of zoo and domestic animals for nearly 20 years. ZOOmility was featured on NBC's Tonight Show!

**Join us in Paso Robles, CA for this fun, unique and informative training experience. Come for the animals & training, stay for the wine!!**
